HISTORY/FACTS/ISSUES:

It is the intent of the Board of County Commissioners to provide open public library services for all the citizens of Sumter County consistent with the Interlocal Service Boundary Agreements with the Cities of Bushnell, Center Hill, Webster, and Wildwood.

The Library Advisory Board is established and maintained in order to produce recommendations of improved customer service for the county-wide library system and future county-wide library capital improvement projects.

Membership shall be composed of five at-large voting members, two at-large alternate members who can vote in the absence of an at-large voting member, and one ex-officio member that is the County Administrator or his designee.

On January 13, 1995, the Board of County Commissioners approved a draft resolution creating the Sumter County Public Library System Governing/Advisory Board hereby attached.
